Try Speed Skating

LETHBRIDGE, AB, September 24, 2023

Do you have a need for speed and a competitive spirit? Would you like to learn how to speed skate for FUN and meet a group of amazing skaters who support and celebrate one another?

On **SUNDAY, September 24th**, the Lethbridge Speed Skating Association in partnership with Speed Skating Alberta, will host a *Try Speed Skating* event to promote the fastest sport on ice!

This is a **free** trial event for all ages interested in joining our speed skating club. However, we recommend that your child be at least 5 years of age and be able to stand on skates.

Members will be on hand to answer any questions and assist with registration options.

Location: East Cavendish Arena, 74 Mauretania Road West,

Time: 3:15 - 4:00 pm. Please allow your child 15 minutes to be on-ice ready.

Following that, from 4:15 - 5:30, our intermediate and advanced group of skaters will take part in a practice open to public viewing, to showcase their talents to start off their season.

What to bring: You must have an ice-certified helmet, long pants, long sleeves and gloves on in order to participate.

Our club will have a small inventory of speed skates to try, but we recommend that you bring a pair of your own skates in case we don't have any available in your size.

We will have special guests and coaches there to meet and greet with the public, answer any questions and sign autographs!

For more information call Tarek, Club President at 403-393-9960 or email: Issa.sk8r@gmail.com

The Lethbridge Speed Skating Association is a volunteer-driven club devoted to the sport of speed skating in Lethbridge. Affiliated with Speed Skating Alberta and Speed Skating Canada, the club provides coaching, training, and racing opportunities to its members in a fun, competitive, atmosphere.
