The Travelling Tot program runs for 8 weeks and is **FIELD-TRIP BASED**. **Each week we will be at a new amazing location doing something totally different!** It's a great chance for you and your toddler to have loads of fun together and make new friends & memories as you try out various activities around town (and Lethbridge has a lot of fun ones)!

When: Fridays, May 11 – June 29, 2018 @ 10:00am-11:00am *unless otherwise posted

Where: Each week we will meet at a new location to try a new activity

Are you a mom, dad or caregiver of a toddler **and** a newborn? No problem! Your infant can join in at no extra cost as long as they are comfortable being in a bucket seat or baby carrier. If you have more than one toddler just select the 'Siblings' option and your second child is less than half price!
